15 **PROCEEDING:** Settlement Conference – Telephonic Status Check

16 A telephonic status check was conducted commencing at 9:01 a.m.

17 Counsel have continued to discuss settlement and exchange information and settlement
18 discussions have been professional. However, it is unlikely at this time that the parties will be
19 able to reach a global resolution of both cases. The parties have a fundamental disagreement
20 about what Rimini may do prospectively after Judge Hicks' summary judgment order without
21 infringing Oracle's copyrights. Both sides agreed to continue discussion about possible
22 resolution of the first filed case. Counsel were encouraged to contact chambers if they believed
23 any further involvement of court assistance in resolving the case now set for trial would be
24 helpful.

25 The settlement conference concluded at 9:18 a.m.
